

Mon-Fri: 6 am-4 pm | Sat: 7 am-noon | Closed on Sundays

****All Loads Must Start At The Scale House****

QUICK-CHECK GUIDE: Before You Unload

Help us keep our facility safe and our environment clean. Please review this checklist while waiting in line to ensure your materials are prepared correctly.

ELECTRONICS (E-Waste)

CURRENTLY, WE DO NOT TAKE ELECTRONICS.

APPLIANCES | Refrigerators-Freezers-A/C Units (Freon/Refrigerants)

Doors Removed: All refrigerator/freezer doors must be removed or disabled for child safety.

Unit Empty: Have you removed all food, glass shelving, and personal items?

Lines Sealed: Ensure refrigerant lines are not cut or leaking.

IMPORTANT: Freon must be recovered by a professional who will place a sticker on the appliance stating this.

RECYCLING & BULKY ITEMS

Pre-Sorted: Is your cardboard flattened and separated from plastics and metal?

No Liquids: Ensure all containers (paint cans, oil jugs) are completely empty and dry.

Tires: Please stack tires in the designated area only. (Limit [X] per visit).

SAFETY RULES ON THE TIPPING FLOOR

Stay Close: Keep children and pets **inside** the vehicle at all times.

Footwear: Closed-toe shoes are required. No sandals or flip-flops.

No Smoking: Smoking is strictly prohibited anywhere on the facility grounds.

Watch for Loaders: Always give the right-of-way to heavy machinery and forklifts.

Thank you for recycling responsibly!
